

## DIRECTIONS TO CITY ENGINEERING

City Engineering is located in Fishponds, Bristol (one mile from the M32 motorway) allowing easy access to London and the North, as well as to the Channel Tunnel.

From Junction 19 on the M4, head towards Bristol on the M32. Leave the M32 at Junction 2. Turn left at the exit roundabout, left at the mini-roundabout on to Fishponds Road, and right at the traffic lights on to Royate Hill. Go under two disused railway bridges. After the second, turn left up Rose Green Road towards Fishponds Trading Estate. Take the first left again on to Chapel Lane and follow this road round for about 200 yards to Maggs Lane. City Engineering will be on your left, just after Rajani Superstore (which is well signposted).

**Can't buy it off the shelf? Let City Engineering make it for you.**

**Sheet Metal Work & Fabrication for the Architectural & Construction Sectors**
